To: Interested Ivy Town Neighbors

From: Anne Brunette, Community Partnership Coordinator

At a recent meeting of Ivy Town neighbors issues regarding parking, traffic, safety and student drop off were discussed. Due to concerns made by the Ivy Town Neighborhood Association regarding the impacts caused by the Holmes Junior High School "drop off" and "pick up" of students on the surrounding area, there has been a field meeting scheduled with the Principal David Inns, Community Partnership Coordinator, Anne Brunette and representatives from the City of Davis Public Works office. The meeting is scheduled for Monday, December 1, 2003 from 7:45- 8:15 am for the "drop off" and from 3:00 - 3:30 pm. for the "pick up" time, meet on the north side of the street across from the school. The goal of this meeting is to view the impact that these times have on the surrounding neighborhood areas.

If you have questions about the purpose of the meeting contact Anne Brunette at 757-5626. If you are unable to attend but wish to share your comments and opinions please provide them to one of the neighbors listed below.

Thank You,

Anne Brunette
Community Partnership Coordinator
