

\$\$\$\$ ELEMENTARY SCHOOL DONATIONS \$\$\$\$\$

Valley Oak Elementary has been the fortunate recipient of donations from a number of different scrip programs. Now that the school is closing in June, it is time to shut down or transfer membership in these programs so that additional donations will not be made to a non-existent entity, but instead will go to the school your child is attending in the fall.

Many of you have Nugget scrip cards that generate donations for Valley Oak. Spend those cards down to zero and ask your Nugget checker for another card that you can use to indicate the new school to send the donation. New Nugget cards are also available in the office in the scrip box.

Similarly those of you who have the SaveMart card should spend those down to zero and discontinue using it. Check with your new school to see if they carry the program.

Safeway eScrip cards need the group affiliation changed to the new school. You can do this yourself by going to eScrip.com and clicking on 'my eScrip'. Obtain your password by clicking on "forgot your password?". The password will be sent to your e-mail account and you can continue on in the eScrip website. I was able to make the changes I needed very easily after obtaining my password. If you have any questions you can call me, Sarah Rizzo, or contact the coordinator at the school your child will be attending.
