

Valley Oak morning DROP-OFF and afternoon PICK-UP

For the safety of our children, please drive carefully and follow these guidelines:

Drop-off locations:

- 3 minute zone in front of school. Eastbound only. (No left turns from westbound Eighth). Pull forward to avoid clustering and blocking the street. No parking or leaving vehicle. **Safety patrol students and staff are available to assist.**
- Drop off students at the rear gate to the school on Colgate Drive. Please do not block neighborhood driveways.

Parking and pick-up:

- Park in legal spaces on the north side of Eighth or on neighborhood streets. Please do not block driveways.
- Park in the shopping center lot on Eighth. Park close to the street and please do not block access to George's Auto Repair.

At all times:

- Drive slowly in the school zone. Be mindful of the traffic light in front of the school and watch carefully for pedestrians and bicyclists.
- The staff parking lot is **CLOSED** for student drop-off and pick-up at all times.
