

Although it states on the website that the fundraiser check will be mailed to you, the checks now come to the restaurant. Please reach out to the restaurant through email to inquire about the status of your check. Checks generally take 2-3 weeks to arrive before you may pick them up. We will email you once they arrive.

Hello Rose,

I have you down for Thursday, December 20th, 2018! Attached is a flyer you can use to promote your event!

Please note that these flyers must be distributed in advance of the event. ***It is unacceptable to hand out flyers inside or outside of the restaurant during the event. Doing so could forfeit your event proceeds.*** Each guest must bring a

printed flyer in hand (electronic copies are acceptable as well). **It**

must also be noted that online orders *DO* *NOT* count towards your fundraising goals.

Please make sure to communicate that to those that you wish to attend.

Thanks for your help with these guidelines. We look forward to a great fundraiser together!

Sincerely,

Delise Whisler
