

# Save Our Music!

SAVE OUR MUSIC! (SOM) is a joint, umbrella fundraising effort to benefit all our Davis public music programs: the choirs, bands and orchestras. State budget cuts have eliminated the elementary school music program for fall '08 and have resulted in lay-off notices to 4 of Davis' beloved secondary music teachers -- Mr. Brucker, Mr. Moreno, Mr. Quick, and Mr. Zinn. The music teachers and boosters unanimously decided that DSOMA would be the lead booster for this fundraising effort because DSOMA has the infrastructure to handle this enormous undertaking and has years of fundraising experience. DSOMA is a 501(c)(3) non-profit.

The music program is working parallel with and supports the Davis Schools Foundation (DSF) which aims to raise funds to reinstate numerous programs that will otherwise be lost. For more information about donating to the DSF "Dollar a Day" campaign, please see [www.davisschoolsfoundation.org](http://www.davisschoolsfoundation.org).

Your tax-deductible contribution to Save Our Music! will be directed specifically to save the elementary music program and thereby also save our junior and senior high music teachers. DSOMA has established a separate bank account for the Save Our Music campaign, and its Tax ID # (or EIN) is # 20-2559539. SOM donations will be specifically used to support ALL the DJUSD music programs.
