Whether you're a journeyman performer, aspiring professional, or an enthusiastic beginner, Centrum's Jazz Port Townsend is the perfect opportunity to meet excellent musicians, soak up a week of jazz in a seaside paradise, and leave as a better musician.

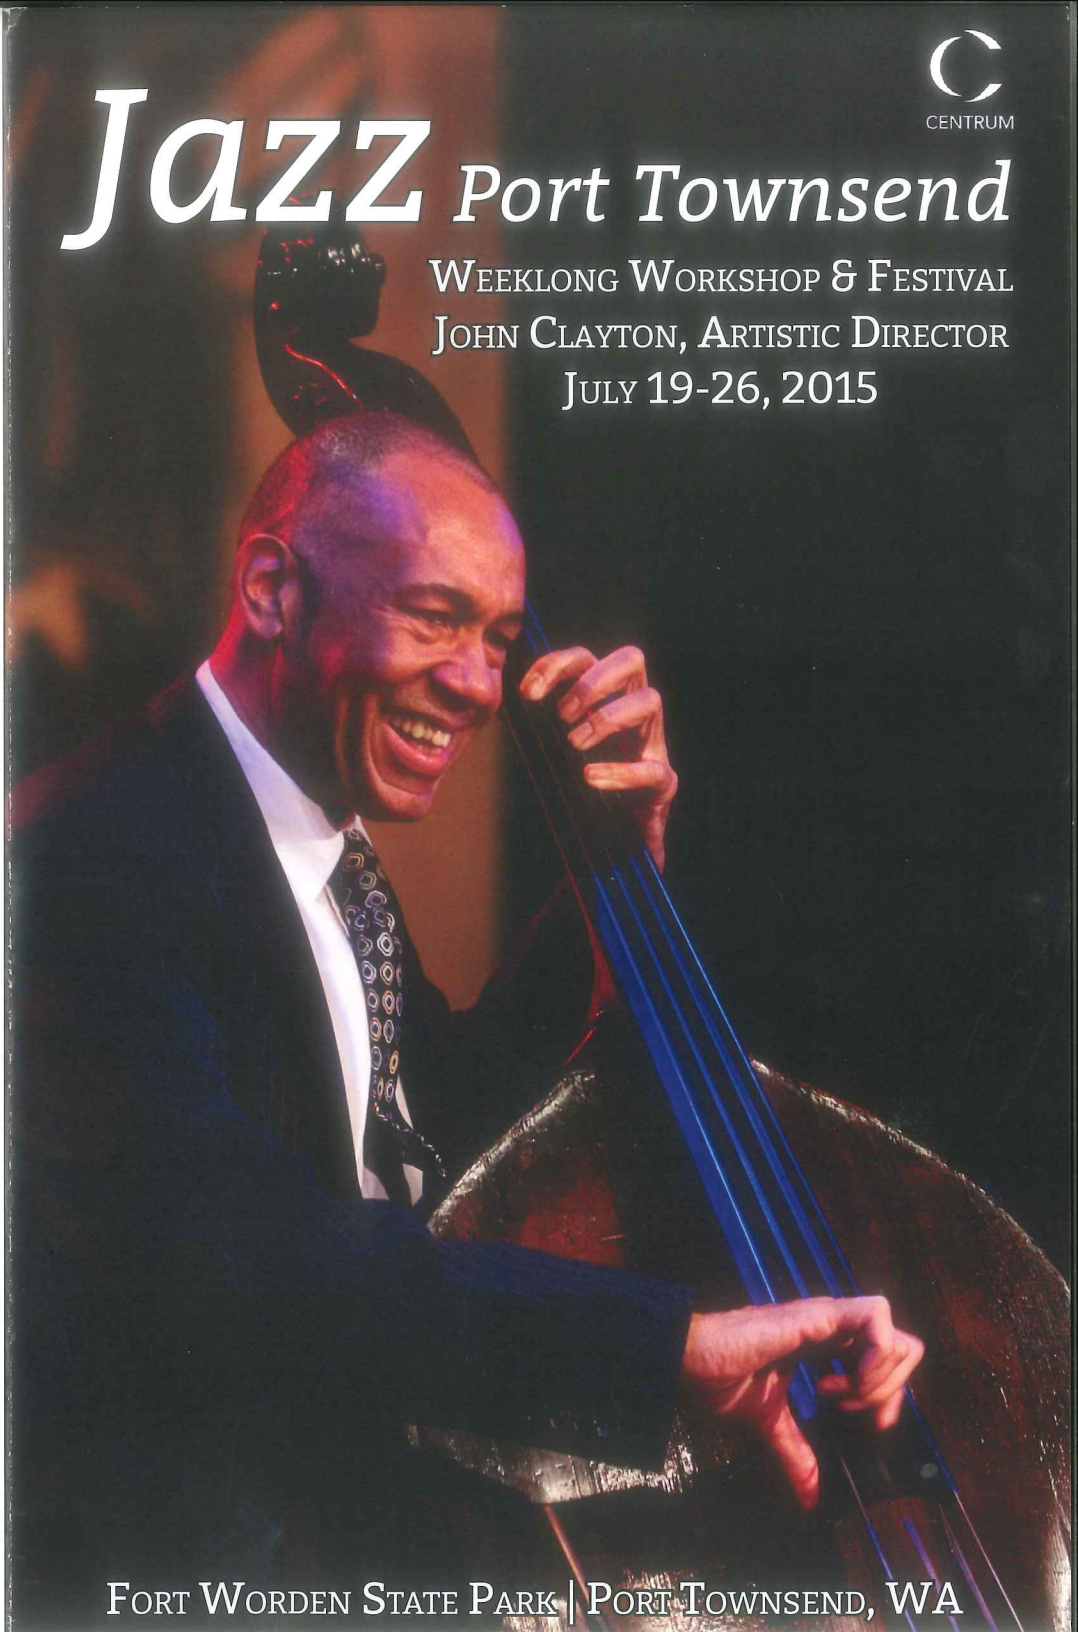

Master classes, theory and special topics classes, and performances by faculty and guest performers are included. Participants with a wide range of abilities and experience attend the workshop each year. Centrum offers ensembles and classes to fit seasoned professionals, beginning improvisers, and everyone in between.
