TREASURY REPORT: See attached. Based on current count we still need to collect a significant amount for the spring trip. Estimated trip cost is \$60,000. Approximately half of the total money pledged has not yet been collected. Band Boosters would like to contribute up to \$15,000—motion to allocate this amount passed unanimously.

Coconut Grove: Debrief meeting planned for April 22. Preliminary numbers look very good regarding earnings. Generally positive feedback on food, auction and set-up. Some thought the program was a bit long. Perhaps need more high school volunteers.
