

Delta College Jazz Festival Information Sheet

December 3, 2016

GENERAL INFORMATION AND OVERVIEW

The Delta College Jazz Festival is an adjudicated performance where jazz bands from around the region come to perform, receive ranked placement, and are provided a clinic following their performance by one of the adjudicators. In addition, this festival also has a division for Jazz Combos, and we will have three combos performing in the High School Division.

In the Jazz Band, there are a total of three divisions: Intermediate/Junior High, High School, and College. Within the High School Class, there are four classifications, listed from most challenging to least challenging: Heavy, Advanced, Intermediate, and Novice. Davis will perform in the High School – Advanced class.

Due to the addition of combo performances for our school, we will have one performance of this ensemble. We will arrive as a group in time to watch this performance and many of the other bands prior to our big band's performance.

The Winter Formal (school dance) is this evening, beginning at ~9:00pm. As such, we will depart Delta College in time for all students to participate in this event.

Parents: We are in need of both chaperones and drivers for this event. Attached is the DJUSD paperwork that must be completed so you may drive students to this event. Please complete this paperwork immediately and send to Mr. Slabaugh so he can submit it to the front office.

Delta College does not allow food or drinks to be brought into warm-up, performing, or clinic areas.
