

June 11, 2018

Hello Orchestra and Band parents,

We are happy to report that the students, staff, and chaperones are having a great time in New York. I am writing because there has been some questions and concerns raised about the practice of using blue tape on students' room doors at night as a security measure. This measure is not a standard practice throughout the district for field trips, but we understand that this has been a long-standing practice used on band and orchestra trips. In order to not detract from this current field trip, the chaperones will be placing blue tape on the doors of all student rooms and we will revisit this practice for future trips.

Thank you

Davis Senior High School and District Office Administration
