

Salmonid Restoration Federation

2005 CALIFORNIA WATERSHED FORUM: Building a Statewide Watershed Program

SEPTEMBER 28, 2005

7:45 am – 5:00 pm
CalEPA Building
1001 I Street
Sacramento, CA

The California Watershed Network, in collaboration with the Salmonid Restoration Federation, is hosting the 6th California Watershed Forum! Please plan on joining us for this special event. This year's forum will bring together agency and legislative representatives together with watershed advocates throughout the State to help develop an effective and successful watershed program for California.

AGENDA

7:45 Registration and Networking Breakfast

Local watershed groups and other organizations are encouraged to display exhibits and share information. Please contact Kevin Ward (kcward@ucdavis.edu) if you are interested in displaying information. There is no charge with paid registration.

8:30 California Watersheds: View from Governor Schwarzenegger's Administration
Terry Tamminen – Cabinet Secretary to the Governor
