

Salmonid Restoration Federation

Greetings,

The Salmonid Restoration Federation (SRF) would like to invite you to participate in the 27th Annual Salmonid Restoration Poster Session that will be held Friday, March 6 from 7 – 10 pm. The Poster Session is a great venue to share information about your work, company, agency or non-profit and to collaborate with your peers. We encourage posters, pamphlet distribution, software exhibits and multimedia (video) presentations.

Poster Session Info (also available at <http://www.calsalmon.org/>)

- The poster session will be from 7-10pm on Friday March 6, 2009 in the Civic Auditorium at 307 Church Street in downtown Santa Cruz. There will also be a reception and silent raffle.
- This year SRF is hosting a “Restoration Recruitment Center.” Please bring job announcements to post and sign-up for a shift where you can do outreach to prospective employees in the restoration field.
- Please email Francine@calsalmon.org to reserve a space at the poster session. Please send your contact person's name, affiliation and contact information, and a brief description of your company and/or the information you will be presenting.
- Set up for the session will be between 5:15pm -6:45pm on Friday, March 6 after the Friday afternoon concurrent session. If you have special needs, please let us know what they are in advance. Poster session presenters must take their presentation down after the poster session.
- SRF will provide table and access to power if you need it. Please bring your own display boards because there are no walls that we can utilize. Please let us know in advance if you need access to power as electrical outlets are limited at this facility. Please bring your own extension cord, surge protectors, free-standing display if possible, and any AV equipment you need.
- You will need to register for the conference to attend. If you don't already have a registration form, please see our website at <http://www.calsalmon.org/> to download a form or you can register online.
- The Civic is a fairly large and accommodating space. If you have colleagues you think may be interested, please feel free to forward this email.

Thank you and we look forward to seeing you at the conference,

Dana Stolzman
Executive Director
Agenda Coordinator
