

Trinity River Restoration Program Sawmill Project Channel Rehabilitation Site Tour November 14, 2009

- WHAT:** Trinity River Restoration Program (TRRP)
Sawmill Project Channel Rehabilitation Site Tour
- WHERE:** End of Cemetery Road off of Rush Creek Road in Lewiston:
starts at the California Department of Fish and Game (CDFG)
Sawmill Site parking lot, near the old Lewiston Bridge, across
the River from Cemetery Hole.
- WHEN:** November 14, 2009 from 12:00 until 3:00 PM.
- WHY:** TRRP Construction work (floodplain excavation, vegetation
removal, large wood placement, etc.) is nearing completion so
it is a great time to visit newly constructed Trinity fish habitat
and river improvements, answer questions, and discuss future
projects. Bring clothes to walk around in, rain or shine
