

River Restoration Open House October 12, 2010

You are invited to enjoy a walking tour of the Readings Creek Rehabilitation Site at the BLM Douglas City Campground at 4:00 p.m. followed by an Open House and light refreshments from 6:30 p.m. to 8 p.m. on October 12, 2010 at the Douglas City School.

Come join the Trinity River Restoration Program (TRRP) folks and hear all about the upcoming channel rehabilitation projects in Douglas City. Douglas City School is located at 100 Schoolhouse Road, Douglas City, CA.

This community event will provide information to residents and friends about the planned 2011 rehabilitation sites construction. It is also an opportunity to provide input and help guide future projects.

For more information regarding this community event, please contact the TRRP office at 530-623-1800.
