

3rd Annual California Water Series

The 3rd annual California Water Series will be presented from 5:00 p.m. – 7:30 p.m. on September 12 and October 10 at the McConnell Foundation's Lema Ranch Headquarters at 800 Shasta View Drive in Redding. The programs are followed by catered hors d'oeuvres.

The Series is a public education forum presented by several north-state partners including: Anderson-Cottonwood Irrigation District; Association of California Water Agencies; Bella Vista Water District; California Agricultural Leadership Foundation; CH2M HILL; City of Redding; Northern California Water Association; and Shasta County.

This Series was conceived to provide the public an interactive opportunity to refine its understanding of California's water supply, the varied pressures of conflicting use, and the future of California water. This year's speakers include Holly Dawley, Brian Person, Ellen Hanak, Andy Hitchings, Ara Azhderian, David Guy, and Paul Buttner.

Seating is limited – please RSVP with Pam Clackler at (530) 224-6032 or pclackler@ci.redding.ca.us.
