

Trinity Collaborative Public Meeting

In September 2012 the Trinity County Board of Supervisors initiated a countywide collaborative. We next had a visit from U.S. Secretary of Agriculture Tom Vilsack, followed by a visit of his USDA team to further explore opportunities to assist Trinity County.

Following the visit by the USDA team last month, we are now ready to kick off the collaborative through a facilitated process. We encourage public participation at this event.

**The meeting will be held on March 7th
from 6:00 p.m. - 8:00 p.m.
At the Civil Defense Hall in Weaverville
On Memorial Drive
Between the Trinity County Office of
Education and the Sheriff's Office**

For more information, please look to the website dedicated to this process www.trinitycollaborative.net
