DATE: June 27, 2009

WHAT: Ride YOLOBUS free on **Sunday, June 28th**:
“Spare the Air” Day

Sunday, June 28, 2009 has been designated by the Sacramento Air Quality Management District as a “Spare the Air”. This Summer, when the Air Quality Index (AQI) is expected to exceed “150” for ozone levels, the AQMD sends out announcements at least the day before.

Rides on YOLOBUS fixed route services will be provided at no charge to riders on June 28th because of this “Spare the Air Day” designation. This free-ride incentive program on YOLOBUS is funded by the Sacramento Area Council of Governments and the Yolo-Solano Air Quality Management District. This free-ride offer does not apply to Sacramento Regional Transit buses or light rail.

Five-day forecasts for ozone are available at www.sparetheair.com and Spare the Air days are determined a day in advance which helps people plan to use alternative transportation, including bus, carpooling, walking and bicycling. Residents can also receive personal notification through

Air Alert, a free service available by signing up at www.myairalert.net. On declared “Spare the Air” days anyone can ride YOLOBUS for free.

On Sunday, June 28th, YOLOBUS provides bus service for Woodland, West Sacramento, Davis, U.C. Davis, Sacramento International Airport, downtown Sacramento, Madison, Esparto, Capay, and Cache Creek Resort and Casino. The program applies to both YOLOBUS fixed route buses and YOLOBUS smaller buses that serve the disabled. Bus schedules are available by contacting YOLOBUS at 530-666-2877 or www.yolobus.com.
